	01/21/2021 - ED in Chambersburg Hospital ED (continued)					
23:38:06	(continued) Orders Acknowledged	New - CBC and differential - STAT; Vital signs Q4H SCH -; Comprehensive metabolic panel - STAT; Ethanol - STAT; Toxicology screen, urine - Urine, Clean Catch; Urinalysis, Culture if Indicated - Urine, Clean Catch	Furry, Autum RN			
23:45	ED Notes Addendum	While completing patients triage in questions pertaining to medication list and past medical history patient stated he had a detailed list in his briefcase. Patient gave this writer permission to obtain list from his bag. This writer along with security searched patients briefcase. Medication/PMH list was found. While searching patients bag a large amount of money was found. This was counted with Megan RN and security officer Nick Jacoby. Amount consisted of 32-\$1 2-\$20 81-\$50 1-\$100. Two magazines containing 16 rounds total for a 380 were found in briefcase as well. Both of these were given to security and locked in locker. A small white note card was found in briefcase with a detailed list of birthday gifts were listed and on the back on the note card a "list" was found. This list included: guns,				
22.40.56	Outland Black	amio, rope, tools, meds and magazine. All of the belongings but the magazines and money were placed back into patients bag. Medications were found that are prescribed to patient.				
23:46:50	Orders Placed	dronedarone (Multaq) tablet 400 mg; amLODIPine (NORVASC) tablet 10 mg; valACYclovir (VALTREX) tablet 500 mg	Kipe, Brian, M			
23:47:29	Orders Placed	traMADoL (ULTRAM) tablet 100 mg	Kipe, Brian, M			
23:51:06	Home Medications Reviewed		Furry, Autumn RN			
23:51:41	ED Notes	Spoke with patient who states he was driving to see his granddaughter tonight and was pulled over by police due to his wife filing a 302. Patient asked if there would be a reason she would have made a 302 and he denies any reason this would be. Patient asked if he had SI and denies currently. Asked about HI and states "Yea I would kill my wife but right now maybe not"	Furry, Autumn, RN			
		Spoke with crisis staff who states wife would like called with updates on patient. States wife did tell crisis he bought a new car to carry out his plan tonight due to this new car would go faster. Also wife stated patient told her he was going to drop gifts off to his granddaughter tonight in VA and then drive to the senators' house to kill them tonight and he would not be home tonight after this is done. Wife then called crisis staff to file 302.
